Written Responses: Please respond to each question within 200 words and attach to main app.

1. Describe the event, including how your chapter plans to raise money (specific entry / ticket / clothing prices), time of day, and any activities that will take place.
2. How does your chapter plan to advertise the event and collaborate with other student organizations?
3. Describe how chapter members will participate in the event and contribute to its success.
4. How does this event embody true bruin values and contribute to UCLA's campus and local Los Angeles communities?
